

We Need More Trash Busters

Some Carolina Trace (CT) residents are part of the Adopt-A-Highway Program and we call ourselves the Trash Busters. We meet once each month (the second Mon at 9 am) to clean up Hwy 87, north and south outside the front of CT. If you would like to help with this important program, call Debbie Betts at:

919-498-6429 or email kdbetts@gmx.com.

Let's keep the front of CT looking clean! What a wonderful community service opportunity!
